Assignment

Question

Material

Reuse post

Topic

Create an assignment.

You must create **3 assignments** that can be completed in the event of a weather emergency.

4

Assignment

For District Weatherwise Course PL Day July 2018

All students

Title

Instructions (optional)

Points 100

Due No due date

Topic No topic

You can select multiple classes to receive the assignment.

No due date is needed until a weather event cancels school.

*Students have 3 weeks to complete the assignment.

Give the assignment a point value.

Create a topic: Weatherwise.

You can upload attachments, attach items from your Google Drive, YouTube, Hyperlink.

ASSIGN

5

Select the **settings gear** or **About** tab to get the class code.

Have all your students join your Weatherwise class using the class code.
