Engage Students

## Digital Media Resource

Creative, research-based instructional strategies for integrating digital media in meaningful, effective, and practical ways.

### There's an App for That \*

There's an App for That is a teaching strategy that helps students understand that authors have a reason and purpose for writing. Students determine an author's purpose and then find evidence to support their statements.

**Skills:** Cites Evidence, Compare and Contrast, Inference and Prediction, Instructional Hook, Key Ideas and Details, Point of View and Purpose, Research

\* You must be [logged in to your Discovery Education account](#).
