SOS SPOTLIGHT ON STRATEGIES

Discovery
EDUCATION

Creative, research-based instructional strategies for integrating digital media in meaningful, effective, and practical ways.

Half the Story *

Half the Story is a teaching strategy that uses images to encourage students to process information and make connections. The teacher zooms in on a selected image, to show only part of it, and asks students to make predictions about the topic of study and explain their reasoning.

Skill: Inference and Prediction

* You must be [logged in to your Discovery Education account](#).
