“Black Menu for Google gives you quick access to your favorite Google services with a convenient drop-down menu that lets you use Search, Google+, Translate, and many others without leaving the page you’re on. Click on menu items to get a small windowed preview or click on the open in new button on the right to open them in a new tab.”

SOS SPOTLIGHT ON STRATEGIES

Creative, research-based instructional strategies for integrating digital media in meaningful, effective, and practical ways.

Blurt Out *

Blurt Out is a teaching strategy that uses gamification to engage learners and access a variety of learning styles. Teams compete to answer student-generated questions about new content.

Skill: Summarizing

* You must be [logged in to your Discovery Education account](#).
