## Chrome Ext.

### Picture-in-Picture Extension (by Google)

Offered by: [google.com](http://google.com)

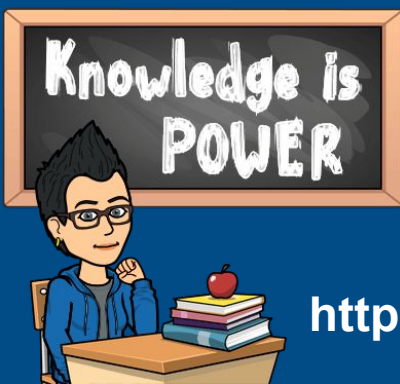

#### Watch video using Picture-in-Picture

Picture-in-Picture (PiP) allows you to watch videos in a floating window (always on top of other windows) so you can keep an eye on what you're watching while interacting with other sites, or applications.

## Instructional Resource

Creative, research-based instructional strategies for integrating digital media in meaningful, effective, and practical ways.

### Shake It Up \*

Shake It Up is a teaching strategy that helps to engage students on a kinesthetic level. Students analyze the main points in a song and represent them through movement and dance.

**Skill:** Key Ideas and Details

\* You must be [logged in to your Discovery Education account](#).
