SOS SPOTLIGHT ON STRATEGIES **Discovery EDUCATION**

Creative, research-based instructional strategies for integrating digital media in meaningful, effective, and practical ways.

Step Inside *

Step Inside is a teaching strategy that encourages students to consider content from multiple perspectives. Students are assigned roles that may be found within a piece of media and then answer questions from the point-of-view of their assigned person or object.

Skill: Compare and Contrast

* You must be [logged in to your Discovery Education account](#).
