## Digital Resource

News Literacy Project

checkology <https://get.checkology.org>

What is Checkology?

Checkology's lessons and other resources show you how to navigate today's challenging information landscape. You will learn how to identify credible information, seek out reliable sources, and apply critical thinking skills to separate fact-based content from falsehoods.

Checkology gives you the habits of mind and tools to evaluate and interpret information. And you gain an understanding of the importance of the watchdog role of the press.
