COMMUNITY CLASSROOM ENGAGING STUDENTS AND EDUCATORS THROUGH FILM

PBS LearningMedia

Collections > **Women's History Month** In This Collection: Media Gallery (1), Video (15), Document (8) for Grades 6-13+

Women's History Month

ITVS Community Classroom is a film and curriculum resource series that brings to life some of today's most vital social issues by pairing film modules from award-winning documentaries with standards-based lesson plans.

This collection celebrates **Women's History Month** by focusing on women and girls around the world. The films tell powerful, personal stories; and the activities encourage students to learn and understand international struggles and take an active role in addressing local concerns.
